Motor Type

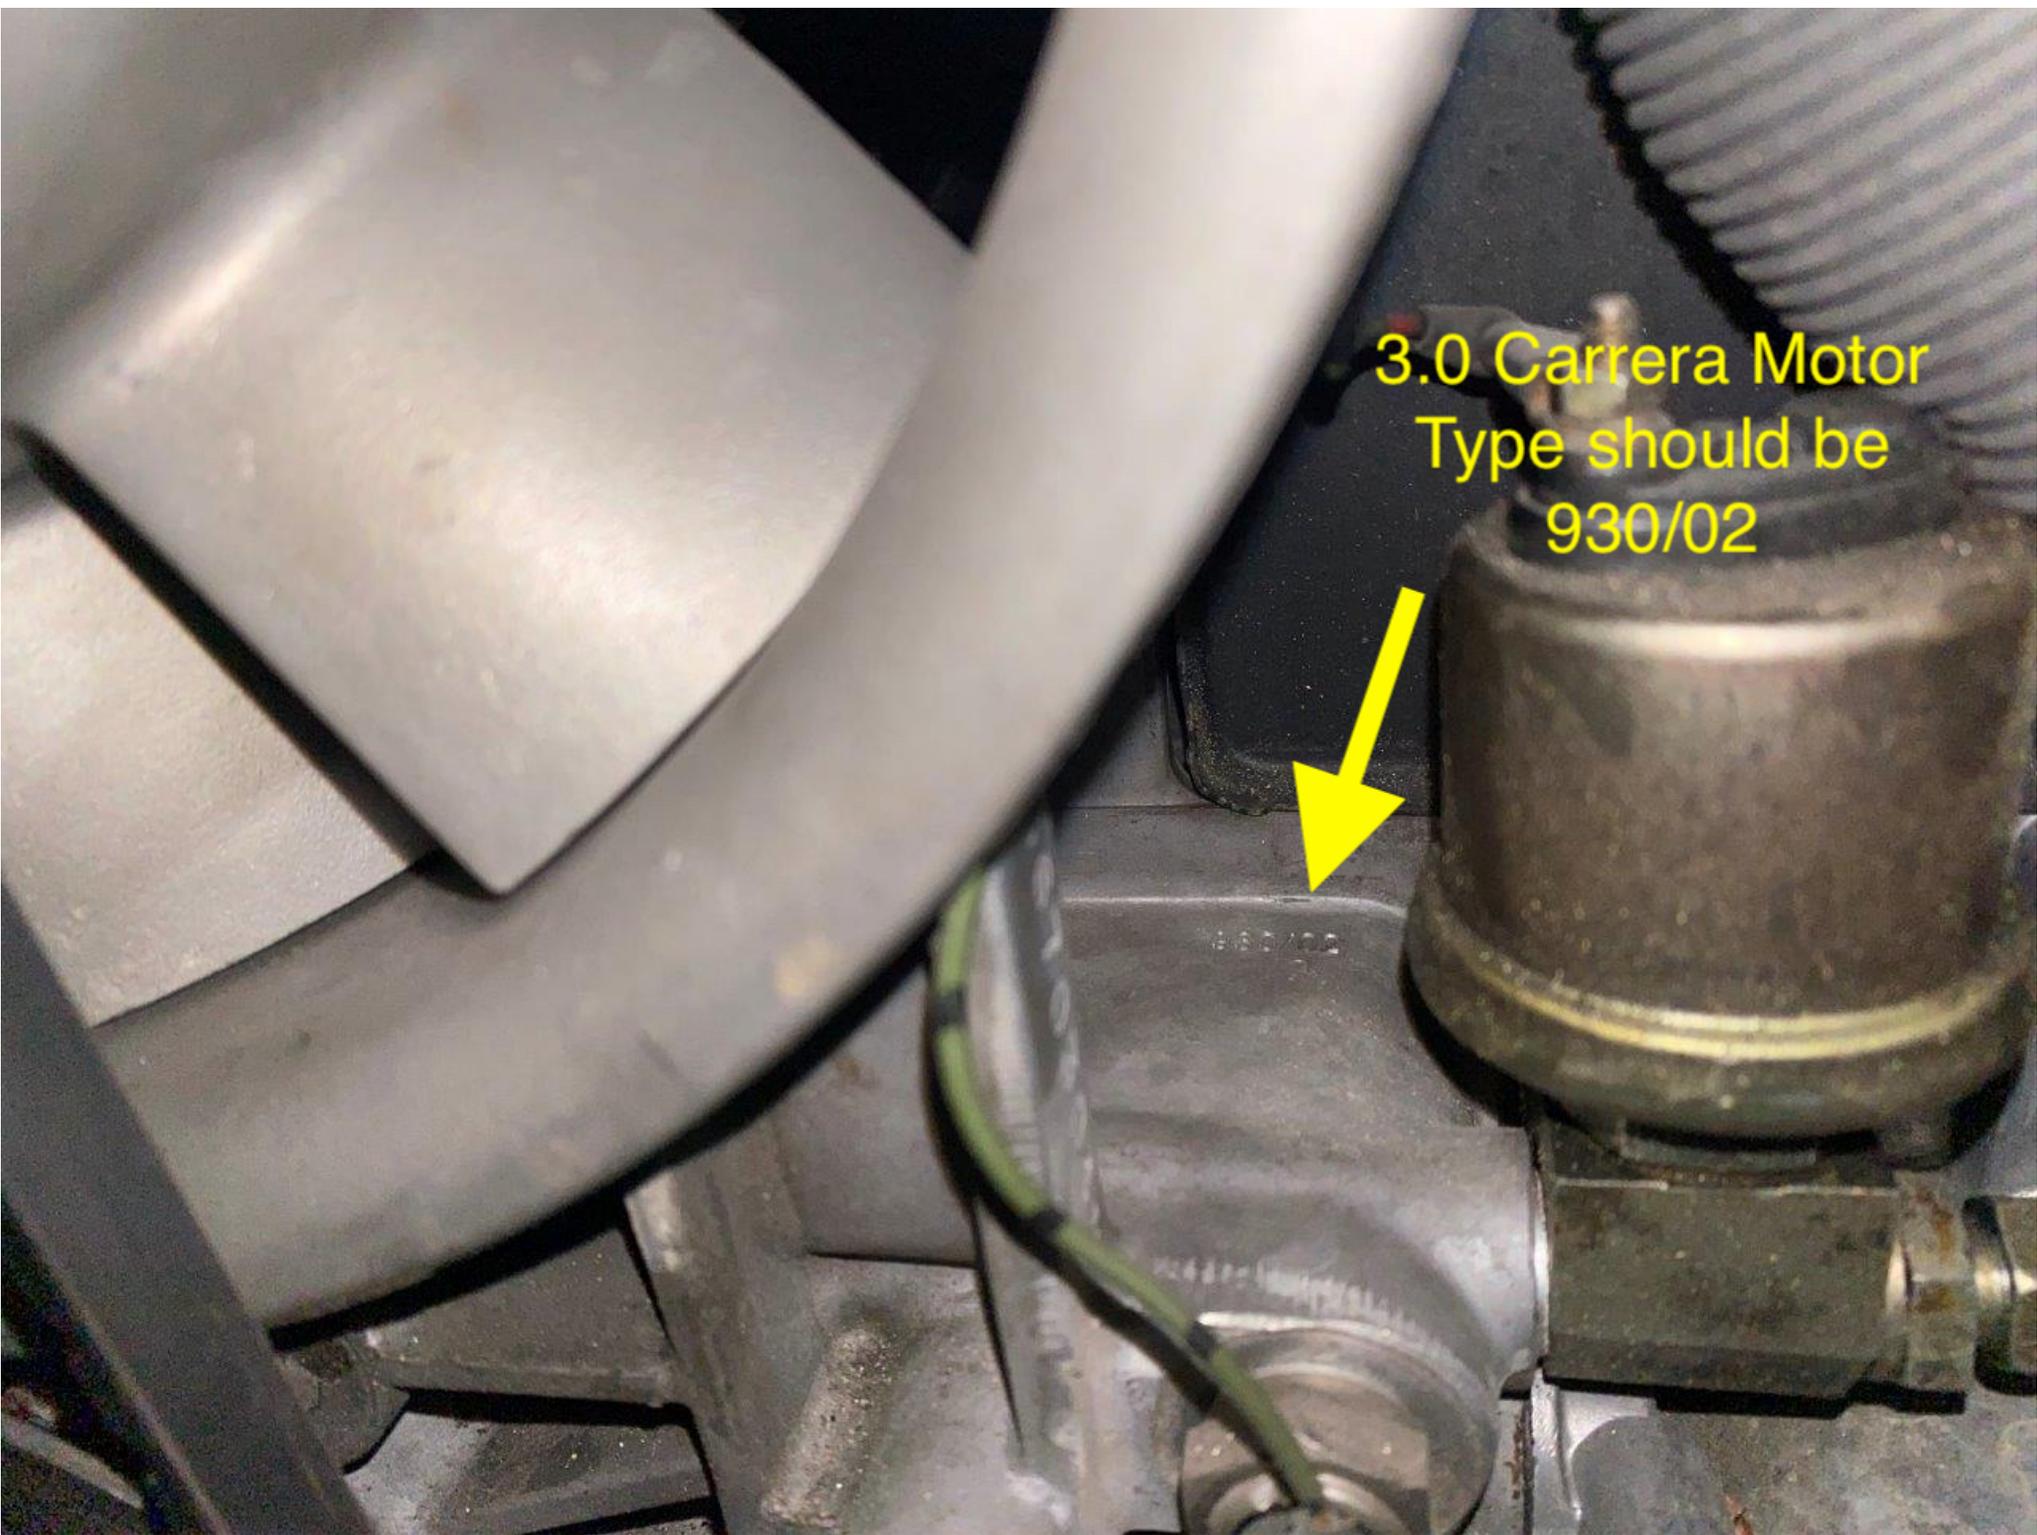

Motor ID Number

466710504

3.0 Carrera Motor
Type should be
930/02

930/02

A close-up photograph of a metallic component, possibly a piston or a valve, showing a stamped identification number. The surface is highly reflective and shows signs of wear and oil residue. A dark, curved metal part is visible in the upper left, and a ribbed section is at the top. The number '930/02' is stamped in a bold, sans-serif font in the center of the frame.
