

Production numbers

These Numbers are from several sources, including internal Porsche Car Master Data Sheets (WAGENSTAMMDATEN), and the Carrera 3.0 Registry. Actual published data is difficult to find.

It is entirely possible that there are cars with VIN numbers outside of these listed. If you own or know of any Carrera 3.0s that have a VIN not listed, please email registry@carrera30.net

The chassis numbers below reflect production vehicles only.

Porsche reserved chassis numbers 1-10 for variable uses:
testing, press vehicles, internal use, etc.
